WATCHERS | NEPHILIM | DNA | AEON OF NOAH | BEAST SYSTEM

## SESSION 02 - WHAT

### ONCE UPON

I recall an age of mortals brighter than the sun  
How they led astray the League of Skels  
Where a Scaterd Few had gone

In the Year of Plenty the Sorrow Sentry  
Awoke the Slumber King  
While a tribe of God Sent Humans  
Bred some Native Son to sing

"Thou herein lies the One despised  
the serum bring  
Drink till your eyes, deteriorized, begin to gleam"

Am ha'aretz acharit ha yamim

So the story grows the Wise of Old  
make peace with Slumber King  
And as the borders threaten the Clamour  
Hammer awakens from his dream

Feeling alienation in an alien nation the Sorrow  
Sentry flee  
Leaving GSH to clean the mess only you and I  
could leave

Crush a bleeding heart is still the only start  
Then maybe we'll see His love for you and me  
Try to overstand the great and master plan  
You and I can be free like a honey bee

Leave us guessing  
What's a Slumber King  
Clamour Hammer who  
One two buckle my shoe

Crush a bleeding heart is still the only start  
Then maybe we'll see His love for you and me  
Try...

### WORMHOLE

First entry:

Between two points in curved space time  
I flee the fear to change my kind  
Instead I opt to take the path  
the Light has led away from wrath  
Though the journey does seem longer  
to complete my spirit is stronger  
Is it true that pure of soul  
can break the fear to face Wormhole

To the Future. Ever forward. Man and creature

Second entry:

Now my craft is passing fast  
the constellations of the past  
Awakened from my hyper-slumber  
to discover mighty wonders  
Etched by God whose Spirit hovers  
over everything one can discover  
Surly this means pure of soul  
for those afraid to grasp Wormhole

Can you... See through... Wormhole  
Can you... Get through

Wormhole

Third Entry:

As I wait Millennium  
I can't escape I must succumb  
To where this path is bound to end  
Further up and further in  
While traversing space and time  
I've learned the need to change my kind  
And now that I've gained pure of soul  
I'm not afraid to seize worm hole

To the future. Always homeward. Man and  
creature

## **WHAT ARE THE WATCHERS AND THE NEPHILIM and WHAT HAPPENED TO THEM?**

***The Watchers are imprisoned in the Bottomless Pit only after watching the death and disembodiment of their offspring, the Nephilim.***

***These disembodied spirits were then released to roam the earth and plague men. Demons are these disembodied spirits of the Nephilim.***

### **WHAT ARE THEY**

The Watchers were sons of God who left their positions of authority

Jude 6 & 7: “And the angels who did not keep their positions of authority but abandoned their proper dwelling...” Sons of God left their sphere

### **What were the sons of God attempting to do?**

They were trying to create a hybrid race/abominable race -Took daughters of men and their offspring were giants – the Nephilim

Genesis 1:24: And God said, “Let the land produce living creatures according to their kinds: the livestock, the creatures that move along the ground, and the wild animals, each according to its kind.”

- Jared, the father of Enoch
- 200 Sons of God – not “angels”
- The Assemblies of the Sons of God
- Watchers – “Sentinels”
- Procreation with humans
- Nephilim / Giants
- DNA Experiments
- Core perversion
- Everything after its own kind (Gen 1:11-12)
- The mixing of animal and human – today, we have medical treatments made of hybrid mice and human DNA.
- The mixing of fibers
- Creating abominations such as satyrs
- Swine?
- The world was perverted at its core DNA level, hence the flood.
- Why didn't Elohim save / redeem His creation?
- Is the mixture of DNA “unsavable” / unredeemable?
- The Beast System

Adam failed to protect, to “cover,” his wife Eve in the Garden when she was being seduced by the serpent, even though he was standing right there. How can we, as men and the covering for our wives, stand in the gap to protect them from these spiritual enemies?

By understanding G6 (Genesis 6) so that we can successfully accomplish E6 (Ephesians 6).

### **Head / Spiritual Covering**

Paul taught the importance of women wearing head coverings (1 Cor 11:10) *because of the angels*:

- *For this cause ought the woman to have [a sign of] authority on her head, because of the angels. (ASV)*
- *The reason a woman should show by veiling her head that she is under authority has to do with the angels. (CJB)*
- *On account of the angels, then, a woman should have a covering over her head to show that she is under her husband's authority. (GNT)*

A women's husband is her head covering, both physically and spiritually. If she doesn't have a husband, then the next best spiritual covering should be her pastor, but he needs to know that she doesn't have a spiritual covering and that she requests for him to be that. Don't just assume that you're covered by a pastor. If she has neither a husband nor a covenant spiritual covering by a pastor, then she needs to wear a physical head covering.

There's a reason why the demonic (incubus) comes after women (and children). Succubus is the term for this same phenomenon against men. This is real stuff.

Because we as believing men were never properly trained by our earthly fathers and/or pastors about such things, our women – and our families – have been “ripe for the picking.”

Our inability to protect them due to spiritual ignorance and our lack of spiritual authority usually manifests in failed marriages / divorce, failed relationships, failed relationships with our daughters, and on and on. And it's a cosmic hamster wheel, perpetuating itself over and over.

It started in the Garden with Eve and went global in Genesis 6 with the Watchers impregnating human women. The disembodied spirits of the Nephilim (demons, unclean spirits, etc.) have kept it going ever since.

### **What did the Nephilim do?**

The Nephilim used up all the acquisitions of men and then turned against the humans and devoured them.

ALL the acquisitions of men – they were worldwide. We will continue on WHERE tomorrow.
